

## 16-19 Student Bursary Fund (2011-12)

The **16-19 Student Bursary Fund** is a cash-limited fund to support learners who are economically or socially disadvantaged and face the greatest barriers to continue in education post-16. The bursary fund has 2 elements:

- i. A new **Student Bursary** of £1200 is only available to young people (16 to 19) who are in care **or** care leavers **or** living independently and in receipt of income support **or** are themselves a young parent receiving income support.
- ii. A **Student Support Fund** is available for eligible learners to help with travel to college, equipment, books, essential trips, or attending HE interviews. It applies to expenses during the current academic year. The Fund can also help with hardship needs arising from a sudden change in circumstances such as redundancy or a sudden drop in household income.

(Each application is judged on the basis of 'relative financial need', the amount of grant will be determined by that need and the funds available.)
